WELCOME

Dear Fellow Symposium Attendees,

On behalf of the Central Kentucky Association of Health Underwriters (CKAHU), welcome to the 17th annual symposium, **“Unleashing Innovation”**.

It's an exciting time for the benefits world as we continue to grow, adapt and stay open to new ideas. We are confronting a time of many changes as technology and funding options are embraced. Our clients are looking to us to provide them with the solutions necessary to keep them in compliance, help them control costs and to make their jobs easier and more efficient.

A special thank you to the symposium committee as they have done a fantastic job organizing today's event. Their hard work and dedication is what makes this event successful year after year.

We extend our sincere appreciation to our sponsors for making this event possible. Please take a moment to engage with our sponsors and consider supporting them with your business. Their partnerships are vital to our industry and your success.
